### About the Trainer

Joy Hardinge OBE BSc CSci FIFST.

Joy has over 40 years experience in the flavour industry. She is a fellow of the Institute of Food Science and Technology, a Chartered Scientist and affiliate member of the British Society of Flavourists. Joy has also served on the UK Food Advisory Committee and the UK Food Standards Agencies Working Party on Food Additives. She has represented the UK at European flavour meetings and is a past chair of the European Flavour Association.

In 2003 Joy set up AJH Consulting, a consultancy company covering Food and Additive Legislation. Working with Additive Industry, Food Industry and Trade Associations. She is also a regular lecturer at Leatherhead Food Research Association on topics relating to Food Law and at both Reading and Nottingham Universities Food Science Departments.

### Build an understanding of the regulations affecting flavoured products.

We undertake an overview of the regulations and explain the terminology. Then, through relevant examples, we see how this is applied to the compliance and labelling of flavoured products.

### Key training objectives

Gain an understanding of the flavour regulations and terminology.

Build confidence in the compliance and labelling process.
